\* Package : 100 pcs/box, 10 boxes/carton

## 3 Reasons to Use NBR Gloves

### Comfortable and Durable

NBR gloves made of high-quality Nitrile are non-allergenic. They are easy to wear and take off. In addition, NBR gloves are oil and chemical resistant.

1

### Textured Grip

The fingers sleeves are finely textured with pitted surface, getting a good grip when handling tools. It makes users easy to work with.

2

### Super-Elastic and Puncture-Resistant

NBR Gloves have high elasticity and excellent resistance to puncture and abrasion, but remain in excellent tactility and dexterity.
